

## **FISCAL NOTE**

### **HB 2868 - SB 3483**

February 28, 2006

**SUMMARY OF BILL:** Authorizes Maury County to remove vegetation or debris from owner-occupied property.

### **ESTIMATED FISCAL IMPACT:**

**Increase Local Govt. Revenues – Not Significant/Permissive**  
**Increase Local Govt. Expenditures – Not Significant/Permissive**

Assumption:

- To the extent that the county chooses to remove vegetation or debris from owner-occupied property, there will be an increase in local government expenditures in an amount equivalent to the cost of removal. Any such expenditure would be accompanied by an equivalent increase in local government revenues because the cost of any clean up would be charged to the property owner. Any increase or decrease in local government revenues or expenditures is estimated to be not significant.
